- Are you aware of anything else that could impact the enjoyment, entail unexpected charges, or affect the general use of the property?
 No

Declaration by the seller of the property

- As the individual completing this form, please confirm your capacity Seller
- This form has been completed accurately, truthfully and to the best of the knowledge of the Seller 27/11/2024

About this form

This form has been completed by the seller. The seller may be the owner or owners, or a representative with the necessary authority to sell the property (e.g. an Executor or Attorney) or selling in some other capacity. The form should be completed and read as though the questions were being answered by the owner.

This form falls under the requirement of Consumer Protection Regulations 2008. The information has been supplied by the seller to the best of their knowledge. Under the Consumer Protection Regulations 2008 both the seller and agent must disclose anything, within their knowledge, that would affect the transactional decision of the average consumer.

The purpose of this form is to help sellers and agents to understand the types of details that must be disclosed should they be known. This form however should not be considered exhaustive.

It is recommended that you seek the advice of a qualified professional for the interpretation of any matters identified.
